

Super League Athletic Academy College Scholarship

The SLAA Scholarship Program is committed to empowering youth through education and athletics. Our Scholarship recognizes youth who have demonstrated remarkable conduct through remarkable achievement in academics, athletics, and community service, in addition to exemplifying a high level of sportsmanship.

One High School Junior or Senior will be awarded a one-time scholarship of up to \$5,000 to be applied towards the cost of attendance including tuition, housing, books, and other on-campus expenses at accredited, four-year colleges and universities in the United States.

Our SLAA Coaching Staff will review the first round of applicants and will select the three finalists for each scholarship. The SLAA Leadership Council will then select the winners.
